## 4. GUIDELINES FOR DETERMINING MATERIALITY OF EVENTS OR INFORMATION

4.1 The Documents may be preserved in

4.1.1 Physical Form or

4.1.2 Electronic Form.

In case of preservation of electronic records, a critically important factor to be considered is the inevitability of hardware, software and media obsolescence. These records must either be migrated to new versions or the old hardware and software must be retained in order to read the records. Migrating may also cause the records to change or lose their format, so good quality control procedures must be in place when migrating to ensure all information retains its original content, context and structure.

The physical Documents preserved may be converted, whenever required or felt necessary, into electronic form to ensure ease in maintenance of records and efficient utilization of space.

**Archival Policy-** All such events / information hosted on the Company’s website shall be retained for a period of 5 years as specified in SEBI’s LODR Regulations, 2015. After the initial period of 5 years, documents / information shall be archived for a further period of 3 years. Thereafter the same can be destroyed at discretion of Board of Directors of the Company.

## 5. AUTHORITY TO MAKE ALTERATIONS TO THE POLICY

The Board is authorized to make such alterations to this Policy as considered appropriate, subject, however, to the condition that such alterations shall be in consonance with the provisions of the Acts and Regulations.

## 6. INTERPRETATION

In any circumstance where the terms of this policy differ from any existing or newly enacted law, rule, Regulation or standard governing the Company, the law, rule, Regulation or standard will take precedence over these policies and procedures until such time as this policy is changed to conform to the law, rule, Regulation or standard.
