Subject: Clarification on price movement of the equity shares of the Company

Dear Sir / Madam,

This is with reference to your email dated 12th March, 2026 bearing reference no. L/SURV/ONL/PV/APJ/2025-2026/3427 regarding the significant movement in the price of the Company's equity shares at the Exchange.

In this connection, we would like to confirm that the Company has been consistently making timely and appropriate disclosures of all events, information, and developments having a bearing on the operations and performance of the Company, including all material and price-sensitive information, in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions.

We further confirm that, as on date, there is no pending announcement, information, event, or development which, in the opinion of the Company, may have a material or price-sensitive impact on the price behaviour of the Company's equity shares and which requires disclosure to the Exchange.

The equity shares of the Company are freely traded on the Exchange, and the movement in the price of the Company's equity shares is attributable to market dynamics and factors beyond the control of the Company.

Further, broader macro-economic conditions, global geopolitical developments and international events such as conflicts or wars between nations including but not limited to Middle East and Russia-Ukraine may also influence overall investor sentiment and market behaviour from time to time, which can consequently impact stock price movements across the market.

This is for your information and records.

Thanking you,

For RDB Infrastructure and Power Limited
